

THESIS CHECKLIST

This is a checklist which might help you to organise your thesis and colloquium. Note, this checklist neither covers in full nor substitutes the regulations of the [General Examination Regulations](#) (RPO) and study programme specific [Examination Regulations](#) (PO).

Prerequisites

- ☐ Minimum 175 (Bachelor) / 50 (Master) credit points (ECTS)
- ☐ Topic available
- ☐ Acceptance/approval of supervision from examiners
- ☐ Contract with co-operating company, if applicable

Admission

- ☐ Apply online via SharePoint at <https://sharepoint.hochschule-rhein-waal.de/sites/Abschlussarbeit>
- ☐ Notice the official submission deadline published on SharePoint
- ☐ Be aware, submitting a thesis within the first eight weeks after date of assignment is not possible

Writing thesis

- ☐ Get familiar with fundamentals of scientific writing (ask your examiner for details)
- ☐ Agree on communication channel, frequency of status report and data exchange with examiners
- ☐ Use the report template from your examiner, if available
- ☐ Add non-disclosure agreement (NDA), if applicable
- ☐ Add declaration of authorship (affidavit) to your thesis report
- ☐ Provide thesis structure (e.g. project plan, table of content) to examiner(s) within first weeks
- ☐ Requesting a different thesis topic is possible, but only once and only within first four weeks

Thesis submission

- ☐ Deadline extension of up to four weeks can be requested (duly-justified!) before original deadline
- ☐ Check your thesis regarding plagiarism (see this [infographic](#))
- ☐ Print two hard copies latest a few days before submission deadline
- ☐ Submit the hard copies to the Examination Services before submission deadline:
Hochschule Rhein-Waal, Prüfungsservice (Building 20), Marie-Curie-Str. 1, 47533 Kleve
- ☐ Upload the soft copy on SharePoint before submission deadline
- ☐ Download confirmation of receipt (SharePoint) once Examination Services has approved (~2 days)

Colloquium

- ☐ Eligible for admission if thesis passed and min. 207 (Bachelor) / 87 (Master) credit points (ECTS)
- ☐ If eligible, apply for admission to colloquium directly after thesis submission. In the SharePoint workflow, you will get a link to a new workflow for the colloquium. Here you can apply.
- ☐ Consult examiner to agree on colloquium date
- ☐ Once first examiner set the colloquium date in the workflow you will receive a colloquium invitation.

After thesis/colloquium

- ☐ Receive final marks for thesis report and colloquium
- ☐ Fill in the thesis release form, provided by first examiner
- ☐ Receive your degree certificate (usually approx. four weeks after colloquium)
